# Arsalan Ali

Data Scientist | AI-Engineer | LLM-Engineer  
Faisalabad District, Punjab, Pakistan

## Summary

As a skilled professional in Data Science and Machine Learning, I am passionate about utilizing data to drive business decisions and improve organizational efficiency. My expertise includes designing and implementing ML models, data analysis, visualization, and proficiency in Python, SQL and data visualization tools like Tableau and Power BI. I am a strong communicator and team player, able to convey complex technical concepts and work collaboratively with cross-functional teams. I am eager to continue my professional growth in the field and open to new opportunities. Let's connect and discuss how we can drive business success through data-driven insights.

---
